c. Interpretation. The Board of Adjustment may hear and decide a case where it is alleged there is error in any order, requirement, decision, or determination made by the Selectmen or their agent in the enforcement of this ordinance.

D. Special Exceptions. The Board of Adjustment may in appropriate cases, and subject to appropriate conditions and safeguards as determined by the Board, grant a permit for a special exception. The Board, in acting on an application for a special exception, shall take into consideration the following conditions:

1. The proposed use shall be permitted in the District.

2. The specific site is an appropriate locations for such use.

3. The use as devleoped will not adversely affect the adjacent area.

4. There will be no nuisance or serious hazard to vehicles or pedestrians.

5. Adequate and appropriate facilities will be provided for the proper operation of the proposed use.

6. The proposed use shall comply with all frontage, set-backs, minimum land area, sanitary protection, signs, and parking requirements for itself or its most similar use, except where specifically named by the Board, the reasons for such waiver to be set forth in writing by the Board.

E. Variance. The Board of Adjustment may authorize the variance from the terms of this ordinance only where the Board finds that all of the following conditions apply:

1. There are special circumstances or conditions applying to the land or structure for which the variance is sought (such as, but not limited to, the exceptional narrowness, shallowness, or shape of the property in question, or exceptional topographical conditions), which are peculiar to such land or structure, and the application of the requirments of this ordinance will deprive an owner of such property a reasonable use of it, and will impose upon such owner a hardship not shared by the owners of property in the same district.

2. The specific variance as granted is the minimum variance that will grant reasonable relief to the owner and is necessary for a reasonable use of the land or structure.

3. The granting of the variance will be in harmony with the general purposes and intent of this ordiance, and with the convenience, welfare, and character of the district within which it is proposed, and will not be injurious or otherwise detrimental to the public welfare.

F. Appeals.

1. An appeal cannote be taken to or granted by the Board of Adjustment for both a special exception and variance at the same time or concurrently for the same case, use, structure, or lot.

2. Appeals to the Board of Adjustment may be taken by any person aggrieved or by any officer, department board, or bureau of the municipality affected by any decision of the administrative officer. Such appeal shall be taken within a reasonable time, as provided by the rules of the Board, by filing with the officer from whom the appeal is taken and with the Board a notice of appeal specifying the grounds thereof. The Board of Adjustment shall fix a reasonable time for the hearing of the appeal, give public notice thereof, as well as notice to the parties in interest, and decide the same within a reasonable time. Upon the hearing any party may appear in person or by agent or attorney.

G. Requirements for Granting Specific Special Exceptions.

1. A home occuptation activity may be allowed provided that such use meets the following criterion:

a. The use of the dwelling unit for the home occupation or profession shall be clearly incidental and subordinate to the structure's use for residential purposes.

ARTICLE XIV

Saving Clause

The invalidity of any provision of this ordinance shall not affect the validity of any other provision.

ARTICLE XV

When Effective

This ordinance shall take effect upon its passage.

ARTICLE XVI

Definitions

A. Right of Way means and includes all town, state and federal highways, rights of way dedicated to public use, and the land on either side of same as covered by statutes to determine the widths of the rights of way.

B. Signs. A structure, building wall or other outdoor surface, or device used for visual communication which is used for the purpose of bringing the subject thereof to the attention of the public, or to display, identify and publicize the name and product or service of any person.

C. Home Produce means and includes everything of an agricultural nature, grown, produced, conditioned or otherwise carried on the property of the resident, also such articles as are manufactured or altered by members of the household of the bona fide resident of any property.

D. Front Yard. A space extending for the full width of a lot between the extreme front line of a building and the nearest side of the right of way.

E. Lot of Record. Land designated as a separate and distinct parcel in a legally recorded deed and plan filed in the records of Cheshire County, New Hampshire.

F. Frontage means the length of the lot bordering on the public right of way or on a body of water.

G. Nonconforming Use. A nonconforming use is a use of any building, structure, or land, which does not conform to the use regulations of the district in which such use exists.

H. Nonconforming Building or Structure. A nonconforming building or structure is a building or structure which, in whole or in part, does not conform to the regulations of the district in which the building or structure is located.

I. Junk means any old metals, old bottles, or other solid textile mill waste; unfinished cloth; or other textile mill yarns; old paper products; old rubber products; old plastic products; used parts and materials or motor vehicles and other secondhand or waste articles, the accumulation of which is detrimental or injurious to the neighborhood.

J. Accessory Building means a building subordinate to the main building on the lot and used for purposes customarily incidental to those of the main building.

K. Mobile Home. A detached residential dwelling unit designed for transportation, after fabrication, on streets or highways on its own wheeles and arriving at the site where it is to be occupied as a dwelling complete and ready for occupancy, except for assembly operations, locations on jacks or other temporary or permanent foundations, and connections to utilities.

L. Travel Trailer. A trailer designed for recreational use and to be moved about and towed behind a vehicle.

M. Parking Lot. Any area for off-street parking or

storage of two or more vehicles in the open air, including access drives and vehicle maneuvering areas.

N. Parking Space. An area, enclosed in the main building or in an accessory building, or unenclosed, having an area of not less than 200 square feet, exclusive of driveways and maneuvering space, permanently reserved for the temporary storage of one automobile and connected with a street or alley by a driveway which effects satisfactory ingress and egress for automobiles.

NOTE: For accurate zoning line measurements, refer to the official zoning map filed with the Town Clerk.

ARTICLE 44. To take up any matters that may properly come before this meeting.

Given under our hands and seal, this 8th day of February in the year of Our Lord nineteen hundred and seventy-four.

REPORT OF TOWN AUDITORS

We have examined the accounts, records and investments of the Town of Rindge for the year 1973. Our examinations were made in accordance with generally accepted auditing standards and accordingly included such tests as we considered necessary.

In our opinion the accompanying statements present fairly the revenue and expenditures for the year 1973 and the stated value of the Trust Funds as of December 31,1973.

Joan R. O'Neil

INGALLS MEMORIAL LIBRARY

Annual Report of the Trustees for 1973

This past year has been another eventful and busy one for your library trustees and librarians. January saw the end of the moving of books into the new wing, the job was started in December. Everyone connected with the Library in any way was there to help, husbands and wives of trustees and librarians, neighbors and even the boy scouts pitched in.

With professional advice from Mr. Lawrence Peabody, the interior decorating was finished. The final result, as everyone seems to agree, certainly reflects Mr. Peabody's talent. The trustees are extremely grateful to him for his advice.

Official dedication took place in May and far exceeded our expectations. All three of our Selectmen were present, representatives from the State Library, District representatives, and about 175 townspeople. The feature speaker was Mrs. Elizabeth Yates McGreal of Peterborough but Mr. & Mrs. George Wallace of Fitchburg could be said to have stolen the show. They felt that the people of Rindge had done so well in raising the money for the building that they donated the remaining money needed to remodel the basement of the old building to house the Museum. Certainly the Town and the Library are fortunate in having such people as Mr. & Mrs. Wallace to help them out.

The new meeting room has brought many groups to the Library for their meetings. The gift of Mrs. Emily Stebbin's piano, given by Mr. & Mrs. Oscar Thrasher was a delightful addition to the room.

Plaques were purchased and hung on the walls in the side entryway commemmorating donors to the building fund who wished them hung.

Many thanks must go again to the Friends of the Library for their help with so many finishing touches. They bought kitchenette equipment, donated money for chairs for the meeting room, and supplied refreshments at all occasions as well as acted as hostesses at the dedication.

The Woman's Club must also be remembered for their generous donations towards chairs for the meeting room.

A special vote of thanks to Mr. & Mrs. Henry Snow for their gift of the lovely clock in the meeting room.

At the end of April we were very fortunate in finding a new and very competent custodian, Mr. Ralph Greene. Since that time the library has certainly reflected his abilities and conscientious devotion to the work.

The renovation of the basement was quickly accomplished by the Greenville Construction Company. The Museum committee of the Historical Society are cooperating with the trustees to get the Museum moved downstairs.

Mr. Paul Inferrera is now in the process of moving and remodeling cases to fit the new Museum. An Open House is being planned for when the moving is completed.

The second Annual Library Day was held on July 28th. This included a barbecue supper sponsored by the Friends, hot dogs and pop corn by the Boy Scouts, coffee and sandwiches by the Woman's Club. The trustees, under the chairmanship of Mr. Dan Breckenridge conducted the Flea Market.

The children's carnival was run by Mrs. Toni Snow assisted by Mrs. Betsy Trimble and band concert in the evening by the Simplex Band from Gardner was arranged by Col. David Crocker. The Firemen gave fire engine rides and hay rides were given by Mr. Joseph Connelly. Many thanks are due so many people who contributed to making this day a success. Many thanks must also be given to the Girl Scouts who have donated money towards the purchase of a utility table to be used in the meeting room.

After much deliberation and shopping, furniture was finally chosen and ordered for the main floor of the new wing. This distinctive and practical furniture was also acquired through the help of Mr. Lawrence Peabody who recommended Mr. Claud Bunyard, designer of furniture from Claud Bunyard Design, Inc. of Boston.

Mr. Bunyard himself came to Rindge and even brought a sample chair for the trustees to see. He quoted an extremely reasonable price which we found we could not equal anywhere else for the quality of the furniture. The furniture has caused much favorable comment since it has been in the library. Anyone who has not seen it should make an effort to do so.

A de-humidifier was purchased for the new meuseum room to make sure none of the valuable articles in the museum would be damaged by dampness.

Two sizable donations were received late in the year, on from Mrs. Frances Hale, in memory of her mother, Ruth Fales Wade, who was, at one time, a children's librarian; and one from Mrs. Jane Troup Donnelly in memory of her mother, Mrs. Ruby Rice Troup. This money has been designated as a special fund for improvements in the children's room.

A new Audio-Visual machine has been purchased with money from the Buswell-Hardy Fund. Film strips of children's classics are on order. This is expected to be an added attraction for the children.

Along with other duties the trustees and librarians of Rindge as usual showed good attendance at the N.H. Library Conferences in the spring and fall; an instruction session at the State Library and tour of the Library facilities and a workshop conducted by the State Library on Library Law and Revenue Sharing as applied to libraries.

Long neglected maintainence of the old part of the building was taken care of just before the winter set in. The windows were scraped, caulked and painted, the front entry was scraped and refinished and the foundation was pointed up.

Mrs. Ralph Greene, assistant librarian, received a Woman s Club scholarship for a library course at U.N.H. which she attended during the summer.

Many varied exhibits were put on at the Library this yea both arts and crafts and finally a beautiful Christmas exhibit of antiques kindly brought in by Mr. & Mrs. Johnson of the Quiet Lion Antique Shop. Along with the Christmas decorations put up by the Friends of the Library and the Garden Group of the Woman's Club our Library was a show place during the holidays.

Regretfully, we have had to make the decision to close on Saturdays during the winter months due to the energy shortage. As soon as warm weather returns the Saturday hours will be resumed.

Many thanks to the many people who have helped to make

this a memorable year at your Library.

Respectfully submitted,

ANNUAL REPORT OF THE LIBRARIAN

Once again your Librarian wishes to report a busy and productive year on the part of her staff and herself. She has attended all district and state meetings and has fulfilled all requirements for our affiliation with the State Library. The State rules for this affiliation are being reviewed at present. They apply to physical plant: water sanitation, etc. and services: hours open, size of book budget,etc. With the help of your Trustees your Librarian is keeping abreast of these requirements.

We are continuing to use the Bookmobile and State Inter-Library Loan Services. Our citizens should remember that we can send for books which we do not have on our own shelves.

We appreciate the use of gifts from the Buswell-Hardy Fund which have enabled us to buy a film strip projector and films, also children's books. Two generous donations from Mrs. Francis Hale, in memory of her mother, Mrs. Ruth Fales Wade, and from Mrs. Jane Troup Donnelly, in memory of her mother, Mrs. Ruby Rice Troup, former Trustee, will be used for improvement of the Children's Room, and also, for children's books. There have been several much appreciated smaller gifts.

Your Librarian hopes to take the remaining two courses required for the State Certification, during the coming year. The availability of the courses and gasoline situation will determine this. She has attended workshops on films, book mending, etc.

Mrs. George Semonite continues to assist us with filing and duties at the desk. Her experience as a trained Librarian is most valuable.

Mrs. Ralph Green continues with her usual duties plus the Children's Program. On Monday afternoons an average of twenty children attend the story hours and showing of films. Her volunteers, Mrs. J. Gage Dingman, Mrs. David Tower, and Mrs. William Bainbridge have helped to make these happy occasions. The Rindge Woman's Club has sponsored refreshments. Mrs. Green, also, took a course at New Hampshire University in July.

The Library and the public are fortunate to have the services of Mr. Ralph Green as custodian. The new wing with the attractive furniture, carpeting and beautiful interior decor could not be in better hands.

Several organizations have used the new meeting room and have found it a pleasant place to hold their deliberations.

Although we have had to cut out the Saturday hours during the winter months we are still open on Monday, Thursday and Friday afternoons, and on Monday and Tuesday evenings. The number of hours is above the average for a Town of this size.

We hope that the townspeople have enjoyed our many art exhibits, the most recent being the Christmas paintings, loaned by Mrs. Gunnar Johnson.

Again, your Librarian wishes to thank her staff, Trustees "Friends", and all others who have contributes to making this a successful year. Elizabeth W. Sampson, Librarian

RINDGE HISTORY COMMITTEE
REPORT FOR 1973

In March 1956, the Town voted " to raise and appropriate the sum of $ 500.00 to gather and preserve historical records, data and personal reminiscenses with a view to facilitating the preparation and publication of a History of the Town of Rindge at some future date." Appropriations have been made periodically since then. A moderate quantity of genealogical records and historical material has been accumulated and is stored at the library.

The collected material has been in need of a thorough job of indexing, filing, mounting, storage, etc. The job was delayed during the year for lack of personnel but has now been under way since the end of the year. The Committee requests that $ 500.00 of the unexpended funds on hand be retained for the work of the ensuing year.

The Committee suffered a great loss and a devoted member in the passing of Florence Whippie. She had served since 1958.

Respectfully submitted,

Welfare of the Community:

The Fire Company, thru funds raised by the Firemens' Ball, Turkey Social, monthly Booster Club, and donations have purchased a Van for use in fire rescue, resusitator calls and rescue at accidents. They have had it painted and lettered; and with company funds raised in 1974, along with anticipated help from Civil Defense, hope to equip it and put it into service. This will be an added addition to help save life and property in Rindge, and will not tie up fire fighting equipment in an emergency. The Company has also furnished the funds to build an office at the station equipping it with a desk, file cabinet, chairs and tables for the meeting and training room. All above listed equipment has been or will be donated to the Town.

We are also proud to continue to sponsor the Rindge Boy Scouts, Cub Scouts and the annual Christmas Party at Rindge Memorial School for all Rindge children.

Respectfully submitted,

RINDGE PLANNING BOARD 1973

The Rindge Planning Board held 12 regular monthly meetings, 1 special meeting, 7 workshops, and 10 public hearings in 1973. It approved 17 minor subdivisions (no more than 4 lots) and one major subdivision (5 lots or more). Fees of $ 5.00 per lot in a subdivision and an additional $ 20.00 for consideration of a major subdivision help to pay expenditures of the Board (advertising, postage, legal fees and updating the town map etc. The Board has benefitted greatly from the assistance of the S.W. N.H. Regional Planning Commission in its work on overall planning for Rindge and especially in preparing a suggested revision of the Zoning Ordinance.

Of the seven members of the Board, the Selectmen appoint two each year to serve for three years and a Selectman to serve for one year. The Board elects a chairman and a secretary each April.

The Board meets at 7:30 P.M. the first Monday of each month at the Town Office Building; at that time it holds public hearings on subdivision requests presented at the previous meeting and also is available for consultation on land or other Town planning matters. It holds public hearings as required on suggested revisions of subdivision and zoning regulations and overall planning for Rindge.
